## Fun Club

I would like to welcome everyone back to Lake Bonnet Village, I hope you all had a great summer. We have a very busy schedule again this year, and we are going to need lots of volunteers to help with all the activities we have planned. Events and activities at LBV are hosted and put on by members of the park, this is how we keep our rental charges down. Stop in and check out the sign-up sheets for activities they are posted on the bulletin boards at Community Hall.

This season we have a new person in the park that will be doing chair yoga on Thursday mornings. Also this year Deb and I have added a 2nd poker run and we now have a band coming in January, Randy Sullens. These and many more fun activities.

As always suggestion boxes are in both clubhouses in case you have something you would like to see happen in our park. I will go over the these ideas in upcoming fun club meetings.

The November Fun Club Executive Board Meeting and Fun Club meeting have been canceled. The first meetings will take place December 9 & 10. Everyone in the park – renters and owners are a Fun Club member, please come and join us.

I am so looking forward to another fun filled season in our a little piece of paradise, LBV. See you all soon.

Fun Club President,  
Lisa M Tran
